While Richard is closing the Gallery at Morning Star on the 20th June, his beautiful art work will still be available through his website and can be viewed by appointment. There are still some originals available for sale of which you can contact Richard directly on the above numbers. While Richard has retired, this doesn't mean he won't pick up his pencils and paint brushes when he's inspired. Like all famous artists they never stop working, their creative side is always processing the world around them and giving them fresh ideas.

Richard will be available by appointment at the Gallery until close of business on the 18th June 2011. On Saturday the 19th and Sunday the 20th we will have a final sale of any remaining prints, canvases and nautical artefacts at 50% off.
